The Flood Control District provides information on Special Flood Hazard Areas (commonly known as 100-year floodplains, or areas with a one-percent (1%) or greater chance of flooding in any given year).

To obtain this information in written form, please fill out the above request for information. You may fax or e-mail this request to the following:

Fax: (602) 372-6232

E-Mail: firminfo@mail.maricopa.gov

Once you have sent in your request, District staff will complete the form with the floodplain zone and map information, and fax or e-mail it back to you. There is no fee for the floodplain information service.

NOTE: Some cities and towns perform their own floodplain management. A list of those cities and towns is found in the Floodplain Management section of the District Web site.
